RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir/Madam:

This is in response to the Notification of Missing Requirements mailed September 19, 2005. Applicant requests that the DO/EO/US vacate the Notification of Missing Requirements and accord this application a 35 U.S.C. § 371 date of 20 April 2005.

1. On 20 April 2005, Applicant filed a Transmittal Letter requesting entry into the national stage along with the basic national fee.
2. On 19 September 2005, a Notification of Missing Requirements (Form PCT/DO/EO/905) was mailed to Applicant indicating that an Oath or Declaration, along with a surcharge for filing the Oath or Declaration after the 30 month period was required, and specifically indicating that the declaration "does not identify the application to which it is directed."

3. A Declaration complying with the requirements of 37 CFR 1.497(a) and (b) specifically identifying the application by the international application number was duly filed with the International Bureau. This Declaration appears on pages 5 and 6 of the Request and a duplicate copy of page 6 of the Request showing the signature of the inventor is attached.

4. The Declaration unambiguously identifies the international application as PTO/EP03/50744, and therefore fully complies with the requirements of 37 CFR 1.497. (In this regard, it is noted that the international application was originally filed "on-line" and thereafter a duplicate copy page 6 of the Request bearing the handwritten signature of the inventor was filed.)

Accordingly, it is submitted that a Declaration meeting the requirements of the U.S. law was signed by the inventor and filed at the International Bureau prior to entry into the U.S. national stage. Therefore, the Notification of Missing Requirements should be vacated and this application should be accorded the 35 U.S.C. § 371 date of entry into the U.S. national stage, which is 20 April 2005.

Respectfully submitted,

AKERMAN SENTERFITT
